### EAST CORINTH

With the mercury denning up in the bulb of the thermometer, nobody is furnishing much news, just telling yarns about how much colder it is now than it used to be, or else trying to prove it isn't. Anyway, 25 or 30 below zero is cold enough for most people.

Notwithstanding the cold day Wednesday, a good number of ladies met with Mrs. A. M. Bedell for the annual meeting of the W. M. U. The treasurer reported \$237 raised in the last year, not a bad record for our little band of women. Officers for the year 1918: President, Mrs. C. C. Dickey; vice-president, Mrs. John Darling; treasurer, Mrs. L. L. Worthley; recording secretary, Susie T. Taplin; corresponding secretary and secretary for junior work, Mrs. W. H. Thompson.

E. S. Rowland is going around asking people to make their doors wider. If you ask why you should, he'll say, "Why? Because I feel so big to think I've been grandpa since Monday noon, and to a boy, too."

Frank Thompson has been quite sick with grip the past week, but is improving. N. T. Carter is another grip victim.

Dorothy Jackson has been quite sick with stomach trouble.

The Mother Goose entertainment was a very enjoyable affair. Five dollars received from admission fees from the grown-ups goes to the Sunday school for Christmas cheer. If the night had been better, many more would have been out.

### WEBSTERVILLE

Napoleon Gregoire recently enlisted in the U. S. army and left Wednesday for North Carolina, where he will be in training for a time. He was accompanied by William Donald, another volunteer. A reception was given in honor of Mr. Gregoire at the home of his parents, Mr. and Mrs. Joe Gregoire, last Monday evening. About 75 were present and the evening was spent in playing games and enjoying solos by Peter Jondro and Edward Pelky. During the evening, Mr. Gregoire was presented a purse of money, for which he thanked the company in a few well-hosen words. An oyster supper was served at midnight. The party

### HALIFAX DONATIONS.

Should Be Sent By Vermonters to State Headquarters.

All Vermonters are notified that voluntary donations for Halifax relief will be accepted by the branches of the Vermont chapter, American Red Cross, but should be forwarded to state headquarters, Burlington, Vermont.

James Jackson, manager of the New England division of the Red Cross, has sent the following letter to all chapters.

Halifax through the press has appealed to the people of Canada for \$25,000,000 for rehabilitation and means of support for destitute families. The chapters should receive all money contributions voluntarily offered for this fund. It is not deemed expedient that an appeal should be made by the American Red Cross at this time. The money so collected should be forwarded to this office, P. L. Higginson, Jr., will act as treasurer for this fund for this division.

The American Red Cross has made abundant contributions of hospital equipment, blankets, medical and surgical supplies. The American Red Cross has sent a staff of one hundred doctors, one hundred and fifty nurses, and fifty social workers, all working in an organized unit

with John F. Moore of Boston, chairman.

We are advised to send no further supplies, except such as may be later specifically requested. Old clothes should not, under any circumstances, be sent.

It seems best, in order to avoid money being collected through various channels, that you should make public that all voluntary contributions for this fund can be made through your chapter.

James Jackson, division manager.

**Resinol**  
the tested  
skin-treatment

If you want to experiment on your skin, there are plenty of treatments to experiment with. But if you want something whose value has been proven by years and years of successful use, if you want a treatment that doctors prescribe constantly, that you know contains nothing harsh or injurious, you will find it in Resinol Ointment, aided by Resinol Soap. It usually stops itching instantly, and rarely fails to clear away all trace of eczema or similar tormenting skin eruption. Resinol Ointment and Resinol Soap are sold by all druggists.

### MONTPELIER SEM. NOTES

Basketball Practice Starts with 15 Candidates.

Basketball practice began this week with 15 candidates out for the team. The first game of the season will be played in the armory on Wednesday evening, Dec. 19, against Whitecomb high school of Bethel.

United States Senator W. P. Dillingham, graduate and trustee of this school, gave an inspiring address to the students and faculty of the seminary just before his departure for Washington. He emphasized particularly the historical background of the war, and pointed out the part that America, because of her ideals and traditions, is especially fitted to play.

In the three debates held just before Thanksgiving recess the following were adjudged winners: Harold Johnson, '18, Nella Tillotson, '19, Abbie J. Smith, '19, Miss Dorothy J. Smith, '19, also received special mention because of excellence in delivery and presentation.

On Saturday evening, Dec. 8, Rev. W. B. Dukes, district superintendent of the St. Albans district, gave his entertaining and inspiring lecture, "From Lumber Camp to College." At the chapel services Wednesday, Dec. 12, Rev. F. Barnaby Leach, rector of the Episcopal church of this city, gave a splendid talk to the seminary students.

The Y. W. C. A. will hold a bazaar in the chapel Monday afternoon and evening, Dec. 17. Excellent programs will be given and booths will be arranged for the sale of many articles appropriate for Christmas giving.

The Y. W. C. A. is engaged in the sale of the Red Cross Christmas seals, having set its minimum at 1,006 seals.

Prin. J. W. Hatch spoke at South Ry-

gate on Sunday and is in Boston this week at the meeting of the district superintendents and an educational gathering with reference to the New England jubilee campaign. He has been invited to the banquet given by the first general conference district Epworth league at First church and also to the Wesleyan association banquet.

### GRANITEVILLE

It was a very delicious bean supper the ladies' aid society served last night to the large gathering of men, women and children in the upper hall of the Presbyterian church, Graniteville. A delightful program followed the menu. There were solos and recitations by several parties, and a quilt sale by the members of the ladies' aid. But the evening was made the occasion for presenting Dr. J. F. Plainfield a very generous purse as an expression of love and in appreciation of the services given by the minister, who will shortly retire from the state of Vermont to take up work in Newark, N. J.
